Regulation netball posts

24HUNBL01X

Details

Designed to conform to England Netball regulations and the ideal post for schools use. Price is for a PAIR of posts INCLUDING nets.

- Uprights manufactured from 50mm diameter x 1.6mm thick zinc plated steel
- Uprights complete with punched holes which allow rings to be adjusted to 2.5m, 2.75m and 3.05m heights
- 16mm diameter x 2mm thick tubular steel rings with safety collar and nets
- Can be used indoor as well as outdoors

Available in two types:

- Socketed - Complete with 300mm deep ground sockets with integral hinged flush fitting lids. Sockets must be concreted into the ground (by others)
- Freestanding - Base comes complete with double nylon wheels and rubber pads for floor protection. Triangular base does not protrude into the playing court. Bases manufactured from solid steel bar and constructed so they will not be blown over under normal weather conditions
