

# Twisting belt

01320B0XXX

## Details

Padded woven nylon inner fixed to a cast aluminium frame with integral ball-bearing runners. Can be used by two spotters or from spotting rigs.

This belt permits the user to perform both somersaults and twists.

**NEW DESIGN** - now incorporating under leg straps for additional security

Available in two sizes:

- Small - waist 64-76cm (25"-30")
- Medium - waist 72-90cm (28"-35")

Please note that the straps shown in the image are used by spotters if the belt is used without a spotting rig and must be purchased as an optional extra. The straps are provided with a spotting rig installation and are not required if purchasing a new or spare belt for an existing rig.
