Basketball 24-second shot clocks - SC 24

Details

Standard shot clocks for use with any of the Continental scoreboards. These are radio frequency controlled clocks and are operated by the same control panel that controls the scoreboard.

These clocks can be mounted on the floor or on the basketball goals on a bracket behind the backboard. For backboard mounting the additional support brackets must be purchased.

Each clock has an integrated horn.

13amp supply must be provided in the location of each clock.

- Dimensions: 500 x 300 x 65mm
- Digit height: 20cm
