Details

Coloured primary school PE benches.

The benches are 1.8m (6') long complete with durable nylon hooks at one end to enable use as a linking apparatus.

Continental coloured benches are manufactured in the UK from 22mm thick solid plywood, painted with a durable hard wearing matt finish. The benches have plastic buttons to enable inverted use as a balance beam, and non-marking rubber feet.

Available in the following colours:

- Blue
- Yellow
- Red
- Green

*** Why not buy a ***TEAM PACK*** of four benches (one of each colour) and get a discount ***
