# Wobble boards

08409AXXAA

## Details

Wobble boards are ideal for balancing training, physiotherapy, core strengthening and development and for play.

The wobble boards have a sturdy timber surface covered in red leather effect vinyl fixed to a polished stainless steel hemispherical base.

Available in two sizes:

- 0.4m diameter - for individual use
- 0.7m diameter - for two to three simultaneous participants

The smaller board is an individual model, the larger is designed for two to three persons to use simultaneously.

| SKU | Options | Available Colours |
|---|---|---|
| 08409A01AA | 0.4m dia. - individual | N/A |
| 08409A02AA | 0.7m dia. - 2/3 people | N/A |
