

Mat trolley - horizontal

06293B02XX

Details

Horizontal mat trolley with strong swivel castors. Manufactured from epoxy powder coated steel with a lacquered MDF base.

The steel frame features rounded corners to reduce the risk of damage to ankles or walls from accidental collisions.

Suitable for all mats that are suitable for storage horizontally or vertically

Available in two sizes:

- 1.2m x 0.9m (4' x 3')
- 1.8m x 1.2m (6' x 4') - this trolley is also suitable for mats up to 2m x 1m in size
