Roll-n-Play mobile PE equipment storage unit

24J155561XXX

Details

This amazing high-quality sturdy mobile cabinet provides your PE specialist with everything they need easy to hand.

The sturdy cabinet has no protruding parts and can be left to the side of the room when not being used.

Designed for play materials, rackets, poles, sticks, balls, etc.

The doors are 30cm deep and fold out to provide additional storage space

Ideal for use in different rooms as the unit is easily moved on its integral wheels meaning our PE materials are easy to transport between PE spaces

Supplied empty or complete with a package of almost 400 individual PE items! (390 separate items included)

The unit folds and fits through all doors - 150cm long x 140cm high x 80cm deep

Lockable using the integral lock and key

The unit is very stable construction using FSC-certified wood
