Lytafold maxi - concertina mat

03297G02AA

Details

These folding mats are great for providing a fold-out runway mat for rolling, running, games and fun activities.

The mats have bright PVC covers and contain a very lightweight but hard wearing and springy PU foam.

Each section measures 900mm x 1,200mm, giving a total matted area of approx. 4.32m2. The mat is 32mm thick.

The mats can be made in the following orientations:

- hinged on the short side to give a folded out mat 900mm x 4.8m
- hinged on the long side to give a folded out mat 1,200mm x 3.6m

They come in a range of colours:

- all red sections
- all blue sections
- all yellow sections
- all green sections
- multicoloured (one section each of red, green, blue and yellow)
