Mat gate climbing frame

14800A0XXX

Details

As a climbing frame the Mat Gate provides a secure structure for developing linking and bridging activities.

As a storage system, the Mat Gate provides wall storage for up to 12 mats.

Manufactured in two sizes:

- 1.2m wide x 0.9m high (4' wide x 3' high)
- 1.8m wide x 1.2m high (6' wide x 4' high)

The price includes installation but is subject to a modest "Area Charge" which is applied at the checkout and depends on your location.
