Jumbo trampolines

Details

Standard FIG size competition trampolines that we use for wall walking or for performance trampoline areas are 3m x 5m.

We are also pleased to offer our Jumbo Trampoline which is 5m x 5m - a 25m2 monster trampoline!

Utilising the same performance springs from our competition trampolines, and the same hi-performance webbing beds in either 13mm or 6mm in a range of colours our jumbo trampoline will be the centre-piece of your performance trampolining zone.

We also supply FIG certified landing mats for the surrounding area and spotting rigs for coaching above the trampoline if required.
