SPIETH - Vario balance beam "Club Soft"

Details

Designed for training, this Soft Top beam from Spieth incorporates an aluminium body with an extremely elastic filling to provide great shock absorption.

The shock absorption is ideal to reduce the the impacts on the gymansts joints from high training frequency

Complete with soft rubber end caps

The feet of the beam remain in the same position when the height is adjusted meaning the mats can be left safely in place at any height

Dimensions: 500 cm x 10 cm

Height adjustment: 50 to 90 cm in 10 cm increments and 90 to 130 cm in 5 cm increments
