Multi Station Boot Wiper

24HUBWP0XX

Details

Multi Station Boot Wipers are available as a 1, 2, 3 or 4 person station.

Manufactured from 1.6mm thick by 31.8mm diameter and polyester powder coated textured matt black

Please note the brushes are a consumable item and will wear over time but can be replaced

Multi 1 Boot Wiper

- 0.8m wide
- One 610mm x 73mm bottom brush & two 152mm x 73mm side brushes

Multi 2 Boot Wiper

- 1.3m wide
- Two 610mm x 73mm bottom brushes & two 152mm x 73mm side brushes

Multi 3 Boot Wiper

- 1.9m wide
- Three 610mm x 73mm bottom brushes & two 152mm x 73mm side brushes

Multi 4 Boot Wiper

- 2.6m wide
- Four 610mm x 73mm bottom brushes & two 152mm x 73mm side brushes

Each size Multi Station Boot Wiper is available in the following versions for installation:

- Floor fixed - for securely bolting down to paving / concrete
- Permanent - with extended uprights to be concreted into the ground
- Socketed - the same extended legs as permanent, but with sockets that can be concreted into the ground

or set into turf. This results in a wiper that is removable out of season or to prevent unauthorised use
