Mini basketball goals

24HUBAS08X

Details

Mini Basketball is a game for 8-12 year old children with a regulation size ring at a height of 2.6m from the ground, and is played with a smaller ball. The English Mini Basketball Association is actively promoting the game as a way of introducing a fun game to children to encourage them into the sport.

- Complete with a 19mm thick moisture resistant wooden regulation size board
- Regulation 2.6m high 100mm sq. x 3mm thick heavy duty steel uprights
- Uprights and rings are polyester powder coated
- Regulation ring is bolted directly through to steel arm for added strength
- 600mm projection
- Ring height is 2.6m from ground

Available in two versions:

- Socketed (can be removed)
- Permanent

Please Note:

Ground sockets require a minimum 1m cube of concrete.

It is strongly advised that mechanical lifting equipment is used when assembling goals.

Price is for a PAIR of GOALS
