Angled boot wipers

24HUBWPAXX

Details

Deluxe angled boot wipers

The angled brushes are designed to prevent excessive wear as users are less likely to rest body-weight on the brush

Angled brushes make it easier to clean boots and shoes when removing soil.

Two widths are available:

- 2 person station
- 3 person station

Available in three types:

- Freestanding - with weighted floor plates
- Floor fixed - designed to be bolted to solid ground such as a concrete slab or paving stones
- Socketed - sockets are supplied to be set into turf or into concrete under the ground

Specification:

- Brushes are each 265mm long x 65mm wide with 47mm long polypropylene black bristles.
- Brushes are made from hard wearing weatherproof beech timber.
- Manufactured from 50.8mm diameter steel.
- Polyester powder coated matt black.

PLEASE NOTE: Brushes are wearable items and are replaceable
