4G Portagoal

24HUFBL6XX

Details

Freestanding portable aluminium football goal posts, complete with welded crossbar/upright corner joints for added strength and improved aesthetic appearance.

- 102mm x 112mm x 2.2mm thick reinforced aluminium
- International net supports & horizontal crossbar braces manufactured from 31.8mm diameter x 1.5mm thick galvanised steel
- Complete with 200 unique lock-on synthetic net hooks
- Stainless steel bolts
- Complete with four ‘U’ peg grass anchors per set
- Including wheel kit to ease manouverability
- Including a pair of 4mm polyethylene nets

Available in two sizes:

- Senior - 7.32m x 2.44m
- Junior - 6.4m x 2.13m

These goals are supplied with U-pegs for anchoring on a grass pitch. If the goals are to be used on a non-grass surface an alternative anchor system will be necessary and we recommend a set of 12 counterbalance weights to suit one pair of goals.

SKU	Options	Available Colours
24HUFBL600	Senior: 7.32m x 2.44m	N/A
24HUFBL084	Junior: 6.44m x 2.13m	N/A
