3G Aluminium Fence Folding Football Goal

Details

Ideal for synthetic surfaces. Hinged supports allow this football goal to fold effortlessly, and is easily wheeled by two people neatly back against a surrounding fence when not in use, allowing space and freedom for other sports.

- Uprights & crossbars made from 102mm x 112mm x 2.2mm thick reinforced aluminium
- Uprights and crossbars are polyester powder coated white
- Welded crossbar/upright corner joints provide added strength and aesthetic appearance
- Complete with 100 unique lock-on synthetic net hooks (50 per goal) and 28 net clips (14 per goal)
- Support posts made from 100mm x 100mm galvanised steel and polyester powder coated green
- Adjustable telescoping side bars made from 60mm x 60mm galvanised steel
- Side bars incorporate 90mm diameter, 300mm long roller style wheels
- 460mm deep sockets with a 103mm square internal measurement
- Stainless steel bolts
- Complete with a pair of 3mm polyethylene nets
- Senior Size 7.32m x 2.44m

These goals are manufactured to suit your required projection from the fence to the byeline. They suit a distance of between 2.3m and 3.5m
