

# Volleyball posts - Continental "Club" model

## Details

Ref: 428 Club Model Volleyball Posts are Continental's most popular school model volleyball post. The posts are supplied as a pair, complete with a steel headline volleyball net and integral wheeling system.

The posts have alternative net fixing heights for junior, women's and men's volleyball.

The set comprises:

- one ratchet post with height adjustable net pulley and a ratchet tensioner
- one hook post with a height adjustable net hook fixing
- one standard volleyball post with pvc coated steel headline and loop ends

Each post requires ONE floor fixing which is available at additional cost.
