Tournament court basketball goal

Details

The Tournament Court portable basketball unit is designed for rugged play indoor or outdoor. The unit folds down and has wheels to make storage and movement easier. The height can be adjusted.

The goal features:

- Durable polypropylene backboard measuring 47" x 35" (120 x 90cm)
- 18" (45cm) heavy duty ring
- Easily adjustable between 8' and 10' (2.44m and 3.05m)
- Protective padding on unit
- Heavy duty wheels for easy movement
- Folds down for easy storage

Please note that this is a supply only item and some basic self-assembly is necessary.

The unit must be used with 137kg of ballast which is NOT PROVIDED. The goal is suitable for outdoor use but is not designed to be left permanently outside. Two people will be necessary to set up this goal and to position the ballast.

The price shown is for ONE GOAL ONLY (not a pair)
