Climbing tower

Details

This double sided climbing tower permits challenging ascents and descents over the 10 climbing holds / steps / ledges.

Two large wedge shapes for the tower and the climbing units are removable and attached with velcro.

Dimensions: 180cm x 60cm x 180cm

Please note: the floor mats shown in the image are not included and should be purchased separately - see the accessories to the right for the recommended floor matting

Made of 24kg/m3 polyurethane foam. Complies with Directive 2005/84/EC regarding early years. The Climbing Tower is covered in an extremely durable fabric:

- flame retardant to M2 class
- phthalates free
- does not contain solvents
- does not contain VOCs
- the fabric is certified to Oeko-Tex Standard 100 (textiles free of harmful substances) and is washable with soap and water
