Combination rugby posts / football goals

24HUFBL23X

Details

When you do not have the space for separate rugby and football pitches, these dual use posts may be the best compromise. Steel socketed posts with two crossbars - one for the rugby element, and the other for the football goal.

- 6.4m out of ground height
- Designed for practice use only
- 7.3m overall, 60mm steel throughout
- 2 Crossbars 1 at 2.44m for senior posts or 2.13m for junior posts, 1 at 3m high for rugby
- 910mm ground sockets. PLEASE NOTE: sockets must be set into substantial concrete foundations

Available in two sizes:

- Senior - 7.32m x 2.44m
- Junior - 6.4m x 2.13m

Supplied complete with 2.5mm polyethylene nets and Continental net support brackets
