Medicine / slam ball rack

Details

The single-sided medicine ball rack provides perfect medicine ball storage in a compact, vertical rack.

The rack holds up to five medicine balls or slam balls and has a modern matte black finish.

Featuring a wide base for extra stability and rubber feet to protects your flooring products from scratches.

- Stable design
- Rubber feet to protect flooring and products
- Matte black
- Dimensions: 640 x 560 x 1460mm (L x D x H)

PLEASE NOTE: This is the rack only and does not include medicine balls which must be purchased separately
