

Kettlebell rack - standard

Details

Keeping your fitness area clean and organised can make a huge difference to your workout. Having a place for your equipment gives you piece of mind and will also increase the life of your kettlebells.

The two tier rack comes with durable rubber mats on each shelf which protects both the rack and kettlebell from damage.

- Keeps workout area well organised and clean
- Comfortably holds a set of Kettlebells
- Rubber layer for grip
- Variable shelves for easy access
- Dimensions: 1200 x 520 x 850mm

PLEASE NOTE: This is the rack only - kettlebells must be purchased separately
