

Studio EVA Fitness Mat

OFEVAMV1XX

Details

The Studio EVA Fitness Mat is extremely lightweight - which offers easy transportation from class to class and when setting up a studio session.

The textured surface on both sides provides grip for both the user and the environment.

With eyelets at the bottom of the mat, storage is easy. Simply hanging the mat vertically provides a safe and clean service. EVA is a very soft material that will cushion the user during the workout, making it comfortable for use over a long period of time.

Easily maintained the Studio EVA Fitness Mat is easy cleaned with a spray and a cloth

The Studio EVA Fitness Mat is a good choice for any all-round user.
