Studio Barbell Storage Rack - 10 Sets

Details

This Studio Barbell Set Rack will hold 10 sets of studio weights equipment (bars and plates, with additional space for collars).

Keeping your accessories in the Studio Barbell Set Rack will ensure participants can get their equipment quickly, helping to keep your classes on schedule and your group training space tidy.

The storage rack features a matt black finish to ensure the rack fits in with any gym environment and rubber feet to protect your studio floor.

The Studio Barbell Set Rack is designed to accommodate sets consisting of 1.25kg, 2.5kg and 5kg plates.

- Compact 10 set storage
- Rubber feet to protect flooring
- Matte black finish
- Dimensions: 750 x 660 x 1570mm (L x D x H)

PLEASE NOTE: This is the rack only and no studio plates or barbells are included with the rack.
