JOOLA "Prime" table tennis balls

Details

The JOOLA Prime 40+ *** table tennis ball.

ITTF Approved

ITTF approved competition ball

The raw material ABS is used for production of the new JOOLA Prime competition ball with seam. This material guarantees identical thickness, even hardness and therefore considerable durability.

Performance regarding rotation, ball bounce and flight characteristics, confirmed in various practical tests, proves the top quality of the JOOLA Prime table tennis ball, setting the standard for table tennis competition balls.

PLEASE NOTE: PRICE SHOWN IS FOR A BOX OF 72 BALLS
