Outdoor cricket scoreboard - 10 digits

Details

Cricket scoreboard for outdoor use.

The scoreboard features:

- 10 digits
- 25cm high digits
- Readability of 120m
- Dimensions: 1450mm x 1600mm x 90mm
- Weight: 45kg

The scoreboard is operated by a battery powered rechargeable radio frequency control console.

The price shown is for supply only. If you would like Continental Technicians to install your scoreboard please contact us for a quotation.

The scoreboard can be installed on either a pair of vertical I-beam steel columns, or a suitable wall.
