Ultimate 4 station boxing frame - 3 bag arms + speedball platform

Details

This heavy-duty steel frame allows a group of four to conveniently perform boxing circuits.

The freestanding frame requires no additional fixings so it is easy to move around your training facility.

Features:

Can be used by 4 people simultaneously

Floor fixing plate but can be left free standing

Epoxy powder coated finish for extreme durability and quality

Choice of frame colours available (please contact us if standard black and red is not suitable)

Heavy duty 100mm x 100mm box section construction

PLEASE NOTE: This is the frame only and your choice of punchbags is extra. Speedball not included - swivel and attachments are included.
