Angle Bag - Leather - 1m

Details

This highest quality Leather Angle Bag punchbag is specially crafted for perfecting your body punches.

Made from tough buffalo leather and is a more specialist bag to work on a variety of different punches and combinations.

This bag is pre-filled weighing approximately 35kg with the top fully covered so the zip is not exposed but is still easily accessible.

Features double stitched and multi-bolted straps and is supplied with an elite chain set for hanging the bag

Ideal for both home and commercial use.

Supplied complete with a heavy duty bag chain.
