

SAM 3x3

Details

The Schelde SAM 3x3 is the Official FIBA 3x3 World Tour basketball backstop.

This portable competition basketball backstop unit is fitted with the SAM system (Spring Assisted Mechanism)

Features:

- Pro Action 180° dunk ring and anti-whip net
- full set protection padding for front, sides, backboard and neck. Colour: black.
- The unit is completely freestanding thanks to integrated extra counter-weights
- Projection from front of the unit to the backboard is 225cm

Optional: built-in 12-second clock (2203700) and black banners (2203710)

Highlights

- FIBA approved 3x3 equipment
- Extra thick and strong paddings with urban look
- Can be moved by 1 person and positioned using the APF system
- Framed competition reinforced glass backboard 180 x 105 cm with Pro Action 180° dunk ring
- 100% freestanding, no floor anchoring required
