Premier curved team shelters

24HUSHE0XY

Details

Premier Curved Team Shelters are available in the following sizes:

- 8 person - 4m long
- 10 person - 5m long
- 12 person - 6m long

Shelters must be secured at all times. They must be secured as follows:

- Bolted down to a concrete pad
- Fixed into turf using spira-locks (available at additional cost)
- Fixed back to a secure column or post (post fixing kit available at additional cost)

The shelters are 2.05 metres high allowing full standing access, with a total external depth of 1.57 metres and an internal depth of 1.3 metres.

- Manufactured from 50 x 50mm bespoke aluminium extrusion
- Polyester powder coated white
- 4mm thick clear copolyester side and back sheets
- Individual injection moulded polypropylene seats

The seats are avaiable in the following colours:

- Red
- Blue

PLEASE NOTE: This is a supply only item and some basic self-assembly is necessary. Team Shelters must be anchored correctly at all times.
