Officials Curved Shelter

24HUSHE04X

Details

Premier Official's Curved Shelter. The shelter is designed for 2m people and is 1m long.

Shelters must be secured at all times. They must be secured as follows:

- Bolted down to a concrete pad
- Fixed into turf using spira-locks (available at additional cost)
- Fixed back to a secure column or post (post fixing kit available at additional cost)

The seats are available in:

- Red
- Blue

The shelters feature:

- Manufactured from 50 x 50mm bespoke aluminium extrusion
- Polyester powder coated white
- 4mm thick clear copolyester side and back sheets
- Individual injection moulded polypropylene seats

PLEASE NOTE: This is a supply only item and some basic self-assembly is necessary. Team Shelters must be anchored correctly at all times. This freestanding floor fixed version should be fixed using suitable anchors such as spira-locks.
