

Matrix Performance Ascent Trainer

MXPERFATXX

Details

When it comes to intense, full-body workouts that are easy on the joints, nothing outperforms our durable Performance Ascent Trainer®. Adjustable incline with variable stride length takes workouts to the next level, engaging glutes, hamstrings and core muscles. Our patented suspension design is completely wheel- and trackfree, reducing noise and minimizing friction to extend product life, while constant rate of acceleration provides an ultra-smooth feel all the way through the ellipse. Ergo Form grips, contralateral handlebar action, optimized pedal spacing and oversized pedals make every movement feel natural. Convenience features include low step-on height, rear entry, contact and telemetric heart rate tracking, a water bottle holder and an accessory tray. A smart design featuring top-down levelers and a removable disk makes service and maintenance easier than ever.

Features:

- 51-61 cm / 20-24" variable stride length
- 20-33 cm / 8-13" adjustable incline
- 24 cm / 9.5" step-on height
- 182 kg / 400 lbs. max weight capacity
- Self-powered options
- Lower Body Ascent also available
