

Matrix Lifestyle Treadmill

MXLIFETRXX

Details

The Matrix Lifestyle Series light-commercial Lifestyle Treadmill gives the people you serve a solid run with a reliable, space-saving design.

The Dynamic Response Drive System™ makes every step feel smooth and in sync, and the Ultimate Deck™ is as comfortable as it is durable.

A smaller frame and a low step-on height makes cardio exercise accessible to virtually anyone, even when space is at a premium.

An easy-to-open motor cover streamlines service and maintenance by helping technicians get in and out more quickly.

Features:

- 152 x 56 cm / 60" x 22" running surface
- 4.2 hp AC Dynamic Response Drive System
- 15% incline
- 19 km/h / 12 mph top speed
- 17.8 cm / 7" step-on height
- 182 kg / 400 lbs. max weight capacity

The Matrix Lifestyle Treadmill is available with a choice of five consoles:

			
<p>Standard LED - easy to read simple display with large numbers</p>	<p>Group Training LED - large easy to read LED screen with features to assist with group exercise classes</p>	<p>Premium LED - featuring an 8,000 pixel multi-colour LED screen with WiFi connectivity</p>	<p>Touch LCD - full colour, display including Virtual sessions</p>
