

Matrix Lifestyle Elliptical Trainer

MXLIFESEX

Details

Intended for light-commercial environments, the Matrix Lifestyle Elliptical features a compact footprint that lets you offer low-impact, natural workouts in facilities where space is at a premium.

The patented suspension design is completely wheel and track-free, reducing noise and minimizing friction to extend product life.

Optimized pedal spacing and oversized pedals make every movement feel natural.

Convenience features include low step-on height, rear entry, contact and telemetric heart rate tracking, a water bottle holder and an accessory tray.

Features:

- 51 cm / 20" stride length
- 23 cm / 9.1" step-on height
- 182 kg / 400 lbs. max weight capacity
- Self-powered options

The Matrix Lifestyle Elliptical Trainer is available with a choice of four consoles:

Standard LED - easy to read simple display with large numbers	Group Training LED - large easy to read LED screen with features to assist with group exercise classes	Premium LED - featuring an 8,000 pixel multi-colour LED screen with WiFi connectivity	Touch LCD - full colour, display including Virtual sessions
