Matrix Lifestyle Recumbent Cycle

MXLIFERCXX

Details

If space is at a premium in your light-commercial facility, choose the compact Matrix Lifestyle Recumbent Cycle to add low-impact cardio that's accessible to everyone.

The recumbent design features an ergonomic seat and back that distribute weight for superior support, stability and comfort.

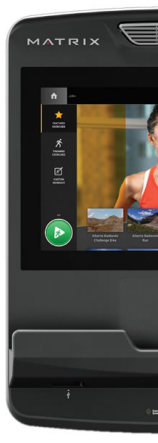

Additionally, step-through design, self-balancing pedals and low-watt starting resistance make it easy to get a low-impact workout.

A three-piece crank with forged arms reduces service time.

Features:

- 20.2 cm / 8" pedal spacing
- 182 kg / 400 lbs. max weight capacity
- Self-powered options

The Matrix Lifestyle Recumbent Cycle is available with a choice of four consoles:

			
Standard LED - easy to read simple display with large numbers	**Group Training LED** - large easy to read LED screen with features to assist with group exercise classes	**Premium LED** - featuring an 8,000 pixel multi-colour LED screen with WiFi connectivity	**Touch LCD** - full colour, display including Virtual sessions
