Matrix Lifestyle Climbmill

MXLIFECMXX

Details

Created for light-commercial use, the Matrix Lifestyle ClimbMill™ features a compact design that makes it possible to bring climbing workouts to facilities with lower ceilings.

Deep, locking steps and step-positioning software make getting a workout easier.

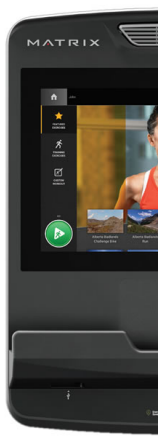

The unique Sweat Management System protects critical components to extend equipment life, and the oil-free drive system is as durable as it is whisper-quiet.

Smart features like a front access panel and modular components streamline maintenance and minimize downtime.

Features:

- 23 cm / 9" step depth
- 14.3 cm / 5.6" step height
- Oil-free ECB modular system with industrial-grade drive chain
- 26.7 cm / 10.5" step-on height
- 136 kg / 300 lbs. max weight capacity

The Matrix Lifestyle Climbill is available with a choice of five consoles:

			
Standard LED - easy to read simple display with large numbers	**Group Training LED** - large easy to read LED screen with features to assist with group exercise classes	**Premium LED** - featuring an 8,000 pixel multi-colour LED screen with WiFi connectivity	**Touch LCD** - full colour, display including Virtual sessions
