Matrix Endurance Recumbent Cycle

MXENDURCXX

Details

No matter what the ability or experience level of your members, the Matrix Endurance Recumbent Cycle offers an accessible cardio workout that virtually anyone can enjoy.

The recumbent design features an ergonomic seat and back that distribute weight for superior support, stability and comfort.

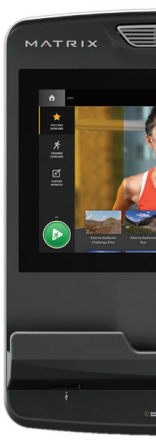

The seat adjusts easily with just one hand to fit each new rider, while low step-over height, self-balancing pedals and low-watt starting resistance make it easy for virtually anyone to get a satisfying low-impact workout.

Smart features like top-down leveling, an integrated transport handle and a three-piece crank with forged arms streamline service and maintenance.

Features:

- 17.5 cm / 6.9" pedal spacing
- 182 kg / 400 lbs. max weight capacity
- Self-powered options

The Matrix Endurance Recumbent Cycle is available with a choice of four consoles:

			
Standard LED - easy to read simple display with large numbers	**Group Training LED** - large easy to read LED screen with features to assist with group exercise classes	**Premium LED** - featuring an 8,000 pixel multi-colour LED screen with WiFi connectivity	**Touch LCD** - full colour, display including Virtual sessions
