

Matrix Endurance Upright Cycle

MXENDUUCXX

Details

Give your members the essentials of an invigorating ride with the Matrix Endurance Upright Cycle.

Race-inspired handlebars with elbow rests create the feel of a real outdoor ride.

The seat adjusts easily with just one hand to fit each new rider, while low step-over height, self-balancing pedals and low-watt starting resistance make it easy for virtually anyone to have a satisfying low-impact workout.

Smart features like top-down leveling, an integrated transport handle and a three-piece crank with forged arms streamline service and maintenance.

Features:

- 17.5 cm / 6.9" pedal spacing
- 182 kg / 400 lbs. max weight capacity
- Self-powered options

The Matrix Endurance Upright Cycle is available with a choice of four consoles:

<p>Standard LED - easy to read simple display with large numbers</p>	<p>Group Training LED - large easy to read LED screen with features to assist with group exercise classes</p>	<p>Premium LED - featuring an 8,000 pixel multi-colour LED screen with WiFi connectivity</p>	<p>Touch LCD - full colour, display including Virtual sessions</p>
