

Matrix Endurance Stepper

MXENDUSTXX

Details

The unique Matrix design features an angled, independent motion that lets members experience the feel of real stair climbing.

Generously sized non-slip pedals give members a secure feel, conveniently placed and responsive controls make adjusting the resistance easy, and a low-maintenance belt drive makes every step smooth and quiet

Features:

- 31 cm / 12.2" step range
- 182 kg / 400 lbs. max weight capacity
- Self-powered options

The Matrix Endurance Stepper is available with a choice of four consoles:

<p>Standard LED - easy to read simple display with large numbers</p>	<p>Group Training LED - large easy to read LED screen with features to assist with group exercise classes</p>	<p>Premium LED - featuring an 8,000 pixel multi-colour LED screen with WiFi connectivity</p>	<p>Touch LCD - full colour, display including Virtual sessions</p>
