

## **Matrix Endurance Stepper**

MXENDUSTXX

## Details

The unique Matrix design features an angled, independent motion that lets members experience the feel of real stair climbing.

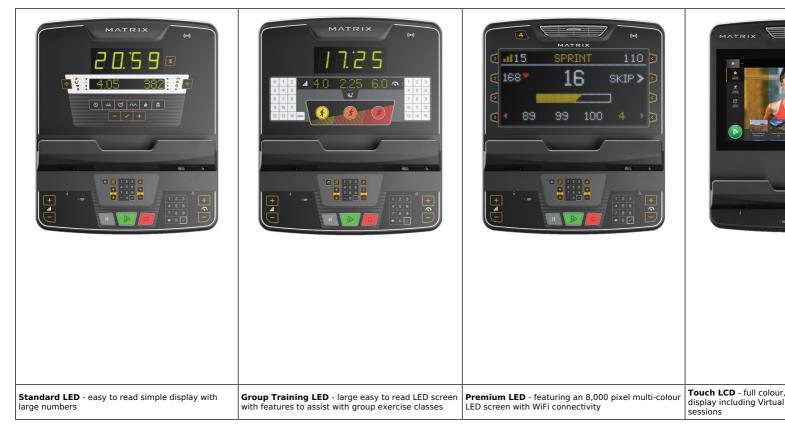

Generously sized non-slip pedals give members a secure feel, conveniently placed and responsive controls make adjusting the resistance easy, and a low-maintenance belt drive makes every step smooth and quiet

Features:

- 31 cm / 12.2" step range
- 31 cm / 12.2 step range
  182 kg / 400 lbs. max weight capacity
  Self-powered options

The Matrix Endurance Stepper is available with a choice of four consoles:

Continental Sports Limited. Hill Top Road, Paddock, Huddersfield, West Yorkshire HD1 4SD. Registered in England & Wales No: 00830200. VAT No: 516 3500 76
