

Vision Fitness Treadmill

MXVIST600

Details

The Vision Fitness advanced T600 / T600E treadmill combines performance, durability and contemporary style to elevate the exercise experience.

A powerful motor and an extra-large running surface accommodate hard workouts, and heavy-duty components stand up to the toughest environments for years.

Perhaps best of all, the refined styling of the frame and console will make the T600 an attention-grabbing highlight of your fitness offering.

Available with two console options:

- T600 - **Standard LED Console** - A bright white LED console provides easy-to-read workout feedback to keep users on track for their goals
- T600E - **Entertainment Series Console** - large touchscreen console elevates the experience with popular apps, exclusive workout programs and streaming entertainment

With the Entertainment Series you can make your fitness centre a highlight of your offering with exercise that entertains. The E Series console will bring people in and keep them coming back with all of their favorite entertainment apps, plus exclusive HD destination footage, HIIT programs, optional live TV and more. Users can even mirror their own devices to stream whatever moves them.
