

# Vision Fitness Suspension Elliptical Trainer

MXVISS600

## Details

The low-maintenance suspension design of the Vision Fitness S60 provides a whisper-quiet, natural exercise experience that protects the user's joints while engaging the whole body.

Refined ergonomic details and an easily accessible design make it easy for anyone to get started and have a comfortable workout.

A heavy-gauge welded steel frame provides excellent stability during intense workouts and durability that withstands years.

Available with two console options:

- S60 - **Standard LED Console** - A bright white LED console provides easy-to-read workout feedback to keep users on track for their goals
- S600E - **Entertainment Series Console** - large touchscreen console elevates the experience with popular apps, exclusive workout programs and streaming entertainment

With the Entertainment Series you can make your fitness centre a highlight of your offering with exercise that entertains. The E Series console will bring people in and keep them coming back with all of their favorite entertainment apps, plus exclusive HD destination footage, HIIT programs, optional live TV and more. Users can even mirror their own devices to stream whatever moves them.

**A SMOOTH, NATURAL EXERCISE EXPERIENCE**  
The advanced suspension design of the S60 provides an exceptionally smooth, natural exercise experience that protects the joints and keeps you engaged the whole time. With a heavy-gauge welded steel frame, you'll have a workout that lasts.
