

Vision Fitness Upright Cycle

MXVISU600

Details

The classic upright design of the Vision Fitness Upright Cycle gives indoor cycling enthusiasts everything they need for a pulse-pounding ride.

Multi-position handlebars make it easy to shift riding positions, and the comfortably contoured seat easily adjusts to give users of all sizes an ideal fit.

The unique design of the handlebars provides multiple comfortable grips as riders move through different phases of their workout.

Self-balancing pedals with easily adjustable straps make it easy for anyone to strap in and go.

Available with two console options:

- U60 - **Standard LED Console** - A bright white LED console provides easy-to-read workout feedback to keep users on track for their goals
- U600E - **Entertainment Series Console** - large touchscreen console elevates the experience with popular apps, exclusive workout programs and streaming entertainment

With the Entertainment Series you can make your fitness centre a highlight of your offering with exercise that entertains. The E Series console will bring people in and keep them coming back with all of their favorite entertainment apps, plus exclusive HD destination footage, HIIT programs, optional live TV and more. Users can even mirror their own devices to stream whatever moves them.
