

# Twisting belt

01320B01XX

## Details

Padded woven nylon inner fixed to a cast aluminium frame with integral ball-bearing runners. Can be used by two spotters or from spotting rigs.

This belt permits the user to perform both somersaults and twists.

This design does not have leg straps so is recommended for spotting rigs, but not bungee rigs

Available in one size to suit the majority of trampoline gymnasts

- Waist 68cm to 76cm (27" to 30")

Please note that the straps shown in the image are used by spotters if the belt is used without a spotting rig and must be purchased as an optional extra. The straps are provided with a spotting rig installation and are not required if purchasing a new or spare belt for an existing rig.
