Super Heavyweight football goals - socketed - 7v7/5v5

Details

These 7v7/5v5 super heavyweight goals are the ultimate in steel goal posts. Manufactured from heavy gauge material, these posts are designed for durability

Features:

Fully welded crossbar corner joint provides strength and safety.

Unique hexagonal rivet fixing provides 12mm of thread to prevent cross threading and gives a secure fixing.

Specification:

- Size 3.66m x 1.83m.
- Uprights & crossbars made from 76mm diameter steel.
- 80.9mm internal diameter sockets with internal bar allowing uprights to sit 313mm deep into socket.
- Polyester powder coated white.
- Complete with 2.5mm polypropylene 7v7/5v5 nets
- Complete with two pairs of tubular steel "Continental" net support brackets

PLEASE NOTE: These goals are supply only and require the sockets to be set into substantial concrete blocks under the ground by others.
