Folding aluminium Mini Soccer goals - 7v7 & 5v5

Details

Freestanding 80mm portable aluminium goals for use on grass or synthetic surfaces. These goals have folding side frames for ease of transportation and storage.

Features:

- Fully welded corner joints provide superior strength and added safety.
- Unique sprung loaded foot operated folding side frame for ease of use and storage.
- Side frames lock in the play and folded positions for added safety.

Specification:

- Size 3.66m x 1.83m.
- Made from 80mm diameter reinforced aluminium.
- Full length net supports are manufactured from zinc plated 32mm diameter steel.
- Steel bottom backbar manufactured from zinc plated 42.4mm diameter steel.
- Goal frame polyester powder coated white.
- Complete with 3mm polypropylene nets

PLEASE NOTE: These goals require securing when in use. On grass surfaces U-pegs can be used. On artificial surfaces a fence fixed securing system, counterbalance weights or another method of securing the goals is required.
