Folding steel Mini Soccer Goals - 16'x6'

Details

Freestanding portable steel goals, designed with folding side frames for ease of transportation and storage.

Features:

- Fully welded crossbar corner joint provides strength and safety.
- Unique sprung loaded foot operated folding side frame for ease of use and storage.
- Side frames lock in the play and folded positions for added safety.

Specification:

- Size 16'x6' - 4.88m x 1.83m
- Uprights & crossbars made from 50.8mm diameter steel.
- Full length net supports are manufactured from zinc plated 32mm diameter steel.
- Steel bottom backbar manufactured from zinc plated 42.4mm diameter steel.
- Uprights and crossbar polyester powder coated white.
- 'U' peg anchors are used on grass surfaces.
- Conforms to the latest British and European Standards BS EN 16579

PLEASE NOTE: These goals require securing when in use. On grass surfaces U-pegs can be used. On artificial surfaces a fence fixed securing system, counterbalance weights or another method of securing the goals is required.
