Swivel Wheel Protection Pads - set of 4 pads

Details

Wheel protection pads for use with 4G Swivel Portagoals

Features:

Optional wheel protection pads used with 4G Swivel Portagoals.

Specification:

- Sold as a set of 4.
- Manufactured from 25mm chip foam covered with hard wearing PU coated nylon and velcro securing straps.
- The pad covers the wheel and side frame sits 25mm above the playing surface.
- Wheels still move freely with the pads fitted.

PLEASE **NOTE:** Sold as a set of 4 pads. This is sufficient to pad the FRONT wheels on a PAIR of goals.
