AirMove 'n' Groove - Set 3

Details

More Space, More Fun the AirMove 'n' Groove SET 3 covers approximately 47m2 of space

For those looking for an even bigger play experience SET 3 is the perfect choice. Providing additional elements with even more tunnels, bridges, slides and play zones for non-stop action.

With tunnels, slides and climbing elements, SET 3 provides plenty of room for movement, teamwork and creative play

Its modular design allows flexible layouts making every arrangement feel like a brand new adventure. This SET 3 is ideal for play centres, schools, gyms, PE spaces and community events.

PLEASE NOTE: When used in an indoor play area where a trainer or teacher is not coninuously present, these items should be used on a cushioned floor such as an area of our Tribond carpet surface matting.
