Fabrication Team Leader

Role: Permanent

Based: Huddersfield

Holiday Entitlement: 33 days per year.

Contractual Hours: 39 hours per week.

Continental Sports: Established 58 years ago, we design, manufacture and install equipment for Sports Halls, Physical Education, Gymnastics and Trampolining including Trampoline and Ninja Parks.

Continental Sports is currently looking for someone to join our Engineering department as a Fabrication Team Leader who can take an active role in co-running the department with a focus on continued improvements and efficiencies for the increase in demand of our manufacturing services.

This is a hands-on role and you will need to be involved in the day to day manufacture of products as and when the customer demand requires.

The successful candidate will need to meet the following criteria:

Key Responsibilities:

- To supervise the daily activities of your team and effectively delegate tasks.
- Responsible for motivating the team members and assessing their performance and evaluation.
- Oversee the day to day teams operation and performance.
- Problem solve issues as they occur.
- Discover training needs and provide coaching to train team members – provide a multi-skilled workforce.
- Ensuring the welfare of your team.
- Participate in plant improvement projects to improve internal processes and streamline. business functionality.
- Promoting and managing HSE standards in the department.

In order to be considered for the position, candidates should be experienced in following key skills and attributes:

- Level 3 NVQ Diploma in Fabrication and Welding Engineering. (Essential)
- Follow manufacturing instructions and understand technical drawings.
- Operating power tools and machinery.
- Practically and technically competent in problem solving, using your own initiative.
- Have a positive “can do” attitude, with determination to complete projects from start to finish efficiently.
- Operating CNC benders, laths and milling machines would be desirable however not deemed as essential for the Fabrication Team Leader role.

Continuous training will be provided to ensure there is a full understanding of the operational processes.

To apply please send CV and covering letter to jobs@contisports.co.uk
